A TIME FOR US

*A time for us, someday there'll be
When chains are torn by courage born
Of a love that's free
A time for love so long denied
Can flourish as we unveil
The love we now must hide
A time for us at last to see
A life worthwhile for you and me.
And with our love
Through every storm
A time for us, some day there'll be
A new world, a world of shining hope,
For you and me*

You're the one who helped mold our ideas into a Tatler, the one who put up bulletin boards and the one who always had a cheerful word when the deadlines were a day away and we couldn't get anything done

Because of this what can we say but "thank you," Mr. Klein. Thank you for having time for Tatler

*Resolved: That we, the Class of 1971, dedicate this Tatler
to "Eager", a believer in us*

*From the exploits of Per Hansa and Mr. Rondeau, we see
Mr. Rondeau having the best exploits, especially with the Greek
Witch, not to be confused with the illustrious witches from that
great, all time favorite, Macbeth. But, through grim and grime, we
see Mr. Rondeau waking us up with his loud yells of "BLOOD!"
So what we are really trying to say is thank you—thank you for
being you and having a Time For Us*
